National Cyber Drill 2021

BGD e-GOV CIRT is proud to present **2021** National Cyber Drill.

We are very thrilled to announce that, again we have been arranging a challenging event for preparing future Cyber Security professionals for enhancing our capability to prevent continuous growing cyber security threat.

Your login to BGD e-GOV CIRT National Cyber Drill 2021 online platform is treated as, **you accepted all the rules of engagement**.

The purpose of this drill is to provide the impression about real life cyber security event or incident. Challenges require use of hands-on skills, tools and provide real targets, real memory captures and challenging analysis scenarios. The participants shall analyze the relevant artifacts and find the hidden flags. We shall provide all the artifacts in our portal but for the large file (VM, Forensic image or other large file) we shall create the download link and provide prior the drill date.

Rule of Engagement

1. All participants shall register in our platform using the registration guideline (Hyper Link for Registration Guideline). Participants from any organization can a team and all participants play as a team. All member can submit the flag but remember all problem has limited submission attempt.
