ICT skill Competition on cyber security for Gov. Officers (Thousand people & Hundred days program) 2023 is the learning and completion program only for Gov. Officers to improve ICT knowledge and latest technologies from Huawei, which will contain learning phase, exam phase, and awarding ceremony during the program. And those top 50 who pass the HCIA exam, will be award with certain gifts according their sequence. The program will be start sign in from Jan. 7th and will be close with the award ceremony at end of April or at the beginning of May.

It will focus on creating more collaborative relationships between national and international levels, inviting trade delegations to experience the immense potential of the Bangladeshi ICT industry. As the country has taken a great leap in Digital Wave, we believe that this event of the year will be a congregation of ICT companies, personalities, professionals, key policymakers, industry leaders, and other ICT stakeholders.
